Packed with tits, ass, hardcore sex, aphrodisiacs, full-frontal nudity, lesbians, and steam baths, the Danish sex comedy *In the Sign of the Gemini* (1975) tells the story of rival record producers Anthon Master (Ole Søltoft) and Ulrik Ulvenstein (Preben Mahrt) as they vie to sign sexy Scandinavian chanteuse Dolores Rossi (Cia Löwgren). The movie has tons of nudity, including all three B's from Anne Bie Warburg. This must be the sign of the Gemini with a pair of twins like hers!

Fully nude Anne Bie Warburg gives us some good spread cheeks and back-beaver as she fingers herself on a bed before getting the shaft from a guy in fast motion. Nice warburger!
