Noteworthy DVDs released 8/31/10

TOP PICKS:

"Red Riding Trilogy" (MPI): Based on dark crime novels by English author David Peace, this trio of films (by three different directors) got a brief but acclaimed theatrical run early this year.

"Leonard Cohen: Bird on a Wire" (MVD): This recently rediscovered 1972 documentary pairs lots of concert footage with moments of a youthful Cohen discussing his work.

"Thriller" Complete Series (Image): Uncut on home video for the first time, the two seasons of this Boris Karloff-hosted 1960's TV anthology draw material from authors including Edgar Allan Poe and Cornell Woolrich.
