In Lost Documentary

August 31, 2010 6:14 p.m. by [Mike Burr \(/users/mburr/\)](#)

Seeing Leonard Cohen circa 1972 in clips from *Leonard Cohen: Bird on a Wire* is a definite treat, but this clip, showcasing the singer's awkward charm (or lack thereof) with the ladies, is in a class by itself. The young German fan seems to be very interested in sealing the deal with Cohen, who suggests having breakfast some time. Though being aloof is one way to land the girl, I half expected the elderly Cohen to pull a Doc Brown, grab his younger self, and impart some more devastating moves to him. That's probably not something to look for in a documentary, though. [Nowness \(http://www.nowness.com/day/2010/8/30/?cid=soc1268#share\)](#)
