

American Profile

All You Need Is Love

5-DVD box set (\$99.95)

Aired originally in 17 episodes around the world between 1976 and 1981, this scholarly, 15-hour British documentary traces the history of popular music with interviews and rare footage of top performers from rock, pop, jazz, Broadway, country and just about every other conceivable genre of the 20th century. Available on DVD for the first time, it's the definitive musical history lesson for anyone interested in discovering just how dozens of different threads of sound can come together into one massive, magnificent musical tapestry.

—Neil Pond, *American Profile*
