## Mastamind – The Mastapiece (Slaughtercore)

By

[Upchuck Undergrind](#)

– October 2, 2012 **Posted in:** [Reviews](#)

Sharp (parental advisory) lyrics, attitude as cutting as the verbal poetry, nice samples that range from piano to fuzzy techno-y stuff– all good signs for a hip-hop album. Versatility and musical sensibility, along with nimble tongued rapping and creative verbage, puts MASTAMIND’s “THE MASTAPIECE” arguably in the neighborhood of what it claims to be. Not THE “mastapiece” of rap but A masterpiece of hip-hop, perhaps. There’s no point arguing MASTAMIND’s talent because it’s obvious. Hell, his hip-hop is even emotive in more than the expected ways. There’s some depth at work here and that, with the artistic capabilities in tow, makes for a solidly crafted hip-hop opus.
