Film Reviews: The Scarlet Worm (2011) - By Jason S. Lockard

I was

really excited when I received the newest MVD DVD release a western called "The Scarlet Worm". Westerns were all the rage, it seemed like every other movie that was released in the 30s to the 60s was a western. Making stars of all the greats, John Wayne, Jimmy Stewart, Henry Fonda and many others two numerous to count!

Than when the small screen began making weekly shows westerns made the transition to TV with such shows as Steve McQueen in Wanted Dead or Alive, Cheyenne, Bonanza and James Arness as Marshall Matt Dillon in Gunsmoke! Somewhere along the years westerns lost their 'cool factor' and now you very rarely find a new western movie or TV
