## Where the Dead go to Die

### Where The Dead Go To Die

Production Year: 2012

Release Date: 02/21/2012

Collection number: 921

I'm going to start off this review by saying I don't really care for animation.

Yes, I said it. With the exception of a few of the films I grew up with, animated films do not interest me.

So with that said, a film like Where the Dead Go To Die would typically go totally unnoticed by me, which is a real pity because it's depressingly wonderful. It's surreal, violent, and at times outrageous. When it first started the look of the animation got to me. It's very primitive (think ReBoot.) However as the film progressed I realized the look of the animation fit the tone perfectly...Some of the images presented in this movie are completely deranged, the fact that it's looks like a kids movie is completely jarring.

I'm not going to go into too much detail about the film as I think it's best to go in knowing as little as possible, but I will tell you this...There is a talking dog who is interdimensional. A group of troubled kids. Enough bestiality, murder, and all around violent material to offend the most seasoned gorehound. Did I mention the talking dog? He likes to convince children their unborn brother is the Anti-Christ. I couldn't make this stuff up, I'm not that imaginative, so my only advice is to run out and pick this one up!

Onto the disc itself. Unearthed did a great job with this title. The film looks and sounds great (there's also a blu-ray available) It is presented in anamorphic widescreen with 5.1 sound, some of the extras include..

- Commentary with the director
- Deleted scenes
- featurettes
- A Short
- Trailers

Unearthed Tends to put a lot of work into their releases and this one is no different!

I mentioned earlier, going into this movie I was not a fan of animation...Now I realize there are some stories that are completely suited for this medium. There's no way they could have pulled this off using actors. Congratulations Jimmy Screamerclauz, you've successfully changed this stubborn man's opinion.

"She knows that your testicles are filled with the tears of God and she can use her holes to make him cry"
