"Where the Dead Go To Die" revolves around a troubled group of children living on the same block. They are haunted by a talking dog named Labby who brings them on surreal hell-rides between different dimensions and time periods. On the night of a lunar eclipse he informs Tommy about the devil fetus living inside his mother. The same night he attempts to help Ralph court the girl across the street, who is an unwilling participant in her father's child porn tape trading ring. Add in a memory stealing junkie living inside an abandoned church and you have 93 minutes of pure mind melting insanity!

"Where The Dead Go To Die" is written, directed, animated and scored by Jimmy ScreamerClauz, and is out on DVD and Blu-ray February 21. It stars the voices of Ruby LaRocca, Brandon Slagle, Joey Smack, Victor Bonacore, Joshua Michael Greene and scream queen Linnea Quigley.

Linnea Quigley is mentioned in this Horror Happenings Terrorble Top 10 List from Howard Stern regular Richard "Charred Walls of the Damned" Christy:

"Where The Dead Go To Die" is a nightmarish, psychedelic (but not retro) and gory mind-numbing attack on the senses like no other film before it.
