La Fleur Fatale-PICK OF THE WEEK
Night Generation

It is not unusual for Swedish indie rock to have success in the United States- look at The Hives for example. With their debut album Night Generation Swedish band La Fleur Fatale is poised for a similar American break-out. With Night Generation, La Fleur Fatale delivers an infectious brand of rock that draws pleasingly from 60's psychedelic rock. La Fleur Fatale begins their case study of psychedelic rock with "Straightway Ride." The song begins with a sitar introduction, bringing up a Rolling Stones "Paint It Black" feeling.
