Sean Kent and Simon King, Unfamous, and waiting for the Rapture

By Kyle Fitzgerald Feb 9, 2011, 0:38 GMT

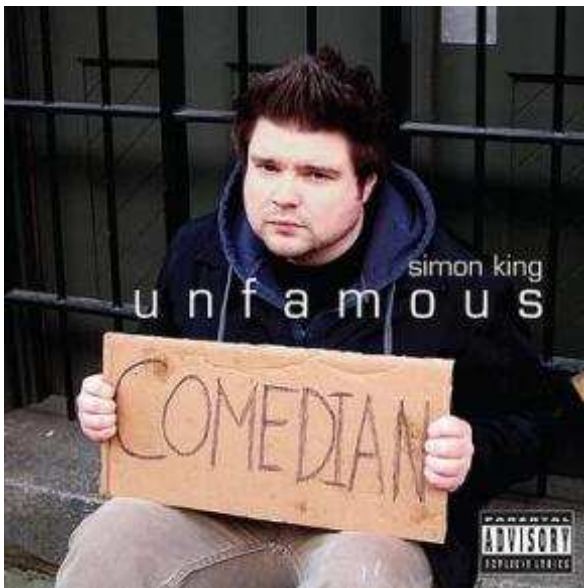

Sean Kent's new comedy CD, "Waiting for the Rapture" will have you converting to whatever religion he tells you to, because you won't be able to protest through your uncontrollable laughter.

The advertisement has a gold background. At the top, it says 'PUBLIC RELATIONS FROM A NEW PERSPECTIVE' in white, all-caps text. Below that, in smaller white text, it says 'MASTERS IN STRATEGIC PUBLIC RELATIONS ONLINE'. The main visual is a photograph of a woman with dark hair smiling, with a man in a suit partially visible behind her. To the right of the photo is a small portrait of George Washington with the text 'THE GEORGE WASHINGTON UNIVERSITY' below it. At the bottom, there is a white button with the text 'Click to learn more »'.

There are two comic talents that deserve your attention, and guest contributor Kyle Fitzgerald, a noted artist and stand-up comic himself, was able to give Monsters and Critics a run down on his take of the new CD's from Simon King, and Sean Kent. - Editor, M&C TV

Simon King: Unfamous

When reading the track titles of Simon King's new comedy CD "Unfamous", you know you are in for a treat. Titles like "The Aids Goose", "Llama fisting", and "Dirt bike Jesus" promise a twisted point of view and a lot of laughs.

King finds comedy in a variety of topics and brings his unique voices and animated style to each. You can feel his high energy and loud antics throughout with great premises and classic one-liners.

The only disappointment comes from wanting to be in the crowd, because King's comedy clearly has a lot of physical elements that you do not get the pleasure of seeing. This CD will have you laughing out loud and looking for a Simon King DVD, which I hope will be available soon. [Purchase](#)

Sean Kent: Waiting for the Rapture

Sean Kent's new comedy CD, "Waiting for the Rapture" will have you converting to whatever religion he tells you to, because you won't be able to protest through your uncontrollable laughter.

Covering everything from Gays in the military to demons, Walmart and Facebook, this stand-up is worth listening to as soon as you can get it. Kent's material is adult but done so brilliantly you don't feel remotely dirty.

His [stories](#) of growing up in Texas in the 80's will have you falling out of your chair and hitting the repeat button. Fans of comedy will find this to be an absolute treat. This CD will make you check your local comedy club with your fingers crossed that Kent will be in your neighborhood soon.
