Reading, PA-based metallers FIFTY CALIBER KISS are releasing their new album, *Armor Class Invincible*, on February 20th via MVD Audio. The band is described as follows in a press release: "IRON MAIDEN meets PANTERA... yes, metal is back! And Fifty Caliber Kiss have entered the stage to rival the faux cash cow bands that have taken the spotlight in the past year and a half. Hailing from Reading, PA, ranking in with a higher murder rate per capita than Los Angeles, this band owns the stage and has attitude. Strip tease meets slasher flick, Fifty Caliber Kiss takes the aesthetic of a Hollywood murder and mixes it to an East Coast style metal soundtrack."

Armor Class Invincible features the following tracks: 'This Wire Cuts Easily Through Meat And Bone', 'Hide The Razor', 'High Is The New Low', 'The Moment You Realize You've Made A Terrible Mistake', 'Protection From The Sky', 'Epicness Of Saganess', 'Magnets Are For Lovers', 'Sink/Burn'.
