This drinking game is to be played with Gothkill and some Golden Archangel (a Belgian-style pale ale from Argentina) to combat the evil forces of Nick Dread. Of course... if you can't find any Golden Archangel around... just drink whatever beer you got lying around.

- 1 drink – every time someone dies
- 1 drink – every time someone says “hell”
- 1 drink – every time someone says “soul”
- 1 drink – every time you see boobs
- 1 drink – every time you see vampire fangs

The Chant Challenge: Drink continuously every time someone is chanting.

The Flamer's Lament: Take a drink every time you see fire... or if you're a drinking game [vet](#), drink continuously every time there is fire on the screen.
