Warren Haynes Presents: The Benefit Concert Volume 8

Written by Jamie Lee
12/14/2008

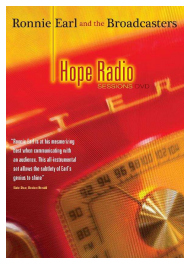

In its 20th year, the Christmas Jam, presented by Gov't Mule frontman Warren Haynes, has become something of an institution, with all proceeds benefiting Asheville, North Carolina's Habitat for Humanity.

Ronnie Earl and the Broadcasters : Hope Radio Sessions

Written by Bill Whiting
12/13/2008

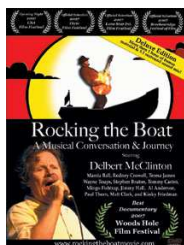

Former Roomful of Blues lead guitarist Ronnie Earl and his backing unit, the Broadcasters, teach a defining class in the healing power of jazz and blues throughout the *Hope Radio Sessions* DVD. Earl has an illustrious career, spanning the '70s, '80s, and '90s. In 1993, he changed direction by going towards an all instrumental approach on the records *Language of the Soul*, *Blues Guitar Virtuoso Live in Europe* and *Grateful Heart: Blues and Ballads*.

Clutch : Full Fathom Five - Video Field Recordings 2007-08

Written by Tim Newby
11/20/2008

One of the music world's best kept secrets is finally getting its due. Germantown, Maryland's Clutch has long been one of the most overlooked live bands, and while they have maintained a steady following and devoted fan-base with intense live shows, too many fans have yet to discover the pure, raging, blues-metal ferocity that is Clutch live.

Zappa Plays Zappa

Written by Bill Whiting
09/25/2008

Inheriting the legacy of his father's music has been an overwhelming task for Dweezil Zappa. He shows rare emotion to the connection re-established over the past few years as his Zappa Plays Zappa collective has toured the world, and now receives the royal treatment via a

lavish double DVD set.
