

COMEDY

WET BEHIND THE EARS

Actors: Margaret Keane

Williams, Jessica Piervicent

Director: Sloan Copeland

When Samantha plans to live in the city with her best friend, Victoria, she can't find employment due to lack of experience. She has to move back home and take a job at an ice cream parlor. Meanwhile, Victoria struggles to find a suitable roommate. But when Samantha convinces Victoria to use her corporate position as part of a shady business opportunity to solve their problems, the strain on their friendship comes to a head. Now, Samantha must figure out how to get her friend back, while still searching for a way to get her life on track.

THE DOUBLE

Actors: Jesse Eisenberg, Mia Wasikowska

Director: Richard Ayoade

Simon is a timid man, scratching out an isolated existence in an indifferent world. He is overlooked at work, scorned by his mother, and ignored by the woman of his dreams. He feels powerless to change any of these things. The arrival of a new co-worker, James, serves to upset the balance. James is both Simon's exact physical double and his opposite - confident, charismatic and good with women. To Simon's horror, James slowly starts taking over his life.

BEHAVING BADLY

Actors: Nat Wolff, Selena Gomez, Heather Graham

Director: Tim Garrick

Socially awkward high schooler Rick Stevens is willing to do anything to win the heart of the girl of his dreams. His sights are set on the most beautiful and popular girl at school. But, first he must contend with her psycho ex, his suicidal mother, his philandering father, his best friends mother and a manic strip club owner.

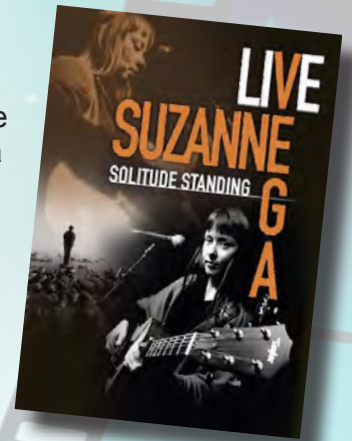

Music

SOLITUDE STANDING

Suzanne Vega

Filmed at the Rome Auditorium, Suzanne Vega performs some of her greatest hits at this international concert, including Tom's Diner, Luke and Marlene On The Wall and the songs are interspersed with poetry readings.

Documentary

UNIVERSE: SEASON 7 - ANCIENT MYSTERIES SOLVED

How were ancient builders, including those at Stonehenge, able to create structures around the world with one consistent unit of measurement- the "megalithic yard"-despite being oceans apart. This History miniseries event uses experts and CGI from The Universe to reveal the answer and demonstrate how are past is connected to the history of the universe.

CUBA: WORLDS TOGETHER

Director: Elmer Hawkes

Cuba provides a ground level look at Cuba, The Pearl of the Antilles. The documentary introduces the island by delving into its topography, history, health care, religious practices, cuisine and education. The Polynesia-like eastern city of Baracoa and the nation's capital, Havana are explored. The film concludes with an extensive look at the island's unique musical performers and stylistic trends.
