FEATURED SPONSOR
A Very Sunny Christmas
 It's hard to believe that "naked Danny DeVito" is a selling point for this double-length It's Always Sunny in Philadelphia special, but that's just one of the many ridiculous scenarios to be found on this future yuletide classic.
\$26.98 (DVD), \$29.98 (Blu-Ray) | [More info](#)

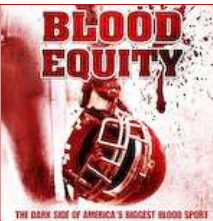

FEATURED SPONSOR
Tekken 6
 PS3 and Xbox 360 fighting fans rejoice! The Tekken gang-bolstered by a few new additions-is back and ready to compete in the new King of Iron Fist Tournament. Enjoy gratuitous boob jiggling and near-upskirt videos in beautiful high definition graphics!
\$59.99 | [More info](#)

Monopoly Here and Now World Edition
 Replace the thimble with a Prius, swap the railroads for major, metropolitan airports and crank up the cash flow to include \$5 million dollar bills and you've got the modern version of a classic board game. Get your Trump on.
\$25.00 | [More info](#)

PlayStation 3 Slim (250 GB)
 There hasn't been a better time to get a PS3. A new low price, a slimmer design, and a ton of new software features means that spending time with the kids doesn't have to suck anymore. A 120 GB model is also available at \$299.99 MSRP.

Roman Phifer's Blood Equity
 This hard-hitting doc shows the dark side of pro football, specifically the injuries that retired NFL players wrestle with. While it's not uplifting, producer Roman Phifer, a three-time Super Bowl champ and current assistant coach for the Denver Broncos, delivers an eye-opening experience.
\$18.95 | [More info](#)

Adult Swim in a Box (Turner Home Entertainment)
 Are you tired of trying to decipher Adult Swim's haphazard program scheduling? Well worry no more. This DVD box set includes favorites: Aqua Teen Hunger Force, Space Ghost Coast To Coast, Moral Orel, Robot Chicken, Metalocalypse, Sealab 2021, and more.
\$69.98 | [More info](#)

Call of Duty: Modern Warfare 2
 We overheard 75-year-old ladies argue over their kill/death ratio at the grocery store. If you don't have this game already, 75-year-old ladies are cooler than you.
\$59.99 - \$149.99 | [More info](#)

Xbox 360 Elite Winter 2009 Bundle
 It's the same great console (120 GB hard drive, Xbox Live, etc.), but with a couple of decent games thrown in: LEGO Batman and Pure.
\$299.99 | [More info](#)

Fight Club, 10th Anniversary Edition Blu-ray
 The first rule of fight club is not to talk about it, but don't tell that to FOX. They're not only talking about it, they're putting out a special edition to celebrate the movie's 10th birthday. That definitely beats the MC Hammer pants we got when we turned 10.

The Official World Series Film Collection
 Baseball films can be boring (Ken Burns, we're looking at you). But, this 20-disc set is jammed full of memorable moments from Fall Classics reaching all the way back to 1943. It'll keep even hardcore fans happy until pitchers and catchers get back to camp.

New Super Mario Bros. Wii
 Yes, we know what you're thinking: "Why is Mario such a video game whore?" The answer: Nintendo makes awesome Mario games and everyone keeps buying them. This is no different, especially awesome for those that need a kick of 8-bit nostalgia.

Sony PSPgo
 Text: At five-inches wide and a weight nearly half the original PSP, the PSPgo is the perfect console for those who want a complete gaming experience. A 16 GB hard drive and Bluetooth capability are nice touches too.

[\\$49.99 | More info](#)**Assassin's Creed II**

Desmond Miles continues his journey to find out the truth of his assassin past, this time thrusting players into the dual size-13 blades of Ezio Auditore di Firenzi. When his family is murdered by the government, it's up to him to get revenge.

[\\$49.99 - \\$59.99 | More info](#)[\\$249.99 | More info](#)**Nintendo DSi**

The addition of a couple of cameras and a more ergonomic design than the first iterations of the handheld are the selling points here. The new DSi store also allows you to download games right onto the unit.

[\\$169.99 | More info](#)**KISS Kompendium**

The First Complete Collection. Since KISS look like they jumped right off a comic book page, it's no surprise that they've actually starred in tons of funnybooks over the years. This hardcover collects their Marvel Comics special from the '70s and stories from Image Comics' Psycho Circus series.
