\$100 & A T-shirt: A Documentary About Zines In The Northwest

In just under an hour, "\$100 & a T-Shirt" brings zine culture to life! Using broken and borrowed equipment, Joe Biel illuminates the world of self-publishing. He gives us glimpses of the Portland Zine Symposium, takes us on a zine-themed bicycle tour around Portland, and interviews local zinesters. The documentary answers a wide array of questions, including: what are zines, why do people make zines, where did zines come from, how do zine communities function, and what does the future hold for zines? This newly re-released 3rd Edition has remastered audio, new footage, 50+ new inserts shots, and more bonus material!
