***This man will pray if you're dead or
shoot you if you're not...***

Dan Hogan, wanted by the Texas Rangers for robbery and murder waits at the Jackals' Ranch for his gold. His men are uneasy and restless, each one capable of killing another for a bigger share of the gold.

Then a stranger arrives, promising to guide them over the border and into Mexico - but he may not be all he seems, and Hogan is not a man who takes a double-cross lightly.
