

# EXPLOITATION DOUBLE FEATURE

**Super Sexy and Deadly Women!!**

The Exploitation Double Feature packs a one-two punch. Laura Gemser heats things up in *Black Cobra Woman*, a wild tale of sex, betrayal and murder perpetrated by the serpent kind! Also featuring Jack Palance!! *SuperBitch* is an amazing piece of Euro-Crime from the 1970s! Full of hard violence, extreme car chases, hot naked women and enough machismo to give Dirty Harry a run for his money!
