## COME TROLL A STAVE! SONGS OF ALPHA DELTA PHI

CORNELL UNIVERSITY ALUMNI CHORUS  
FEATURING **DOUGLAS JIMERSON**

---

*"There is no other artist doing the kind of work Jimerson does."*  
The Washington Post

---

**COME TROLL A STAVE!** brings to life the memories of college social life. Cornell University has a rich singing heritage, and the songs of this album are representative of a strong tradition of four-part choral singing. The album includes the Cornell "Alma Mater" and "Evening Song." Some songs are sung a cappella, and others include accompaniments by talented brass, wind and keyboard instrumentalists.

---
