

INIRA - Gray Painted Garden

"Gray Painted Garden" - second full-length album by Italian Modern Metal band INIRA.

An intimate and powerful travel through pain, struggles and injustice. 11 tracks in 50 minutes of heavy rhythms & riffing, downtuned guitars & catchy melodies.

The album was recorded almost in its entirety by the singer Efis Canu at his InferiStudio. Drums recorded by Riccardo Pasini (Extrema, The Secret, Blindead, Nero Di Marte) at Studio 73. Mastered by Henrik Udd (Bring Me The Horizon, Architects, At The Gates, Powerwolf, I Killed The Prom Queen, Hammerfall) at Henrik Udd Recording Studio.

Guest appearance on "Sorrow Makes for Sincerity" by Giada "Jade" Etro of Frozen Crown.

Approach to Modern Metal completely revisited, this is not Djent and even Post Hard Core as you are used to hearing, this is violent music!
