The Last New Yorker

**"Mr. Chianese brings out the heartbreaking loneliness under [his character's] curmudgeonly grandiosity."
Stephen Holden, *The New York Times***

Lenny (Chianese) is a small-time investor who's always managed by rolling the dice on Wall Street, but he just can't keep up with the times. When his luck finally runs out, his best friend Ruben (Latessa) hatches a plan to get them both out of town. But Lenny's not going anywhere. He's got two last rolls of the dice: one for the money, and one for the love of a beautiful mystery woman (Chalfant) that he's fallen head over heels for at the corner of 38th and Lexington.
