# Robert Mitchum Is Dead

*Unemployed actor Frankie is on a road trip in a stolen car in search of his idol.*

This hilarious addition to the road-movie genre follows a desperate agent (Olivier Gourmet) and an insomniac actor of questionable talent as they make their way in a stolen car across Europe to a film festival in the Arctic Circle. Hoping to get the actor a meeting with a famous director, they encounter a series of bizarre encounters, and it's uncertain whether their dreams of fame will come true.
