Frank Zito (a career performance by co-writer/co-executive producer **Joe Spinell** of *ROCKY* and *THE GODFATHER* fame) is a deeply disturbed man, haunted by the traumas of unspeakable childhood abuse. And when these horrific memories begin to scream inside his mind, Frank prowls the seedy streets of New York City to stalk and slaughter innocent young women. Now Frank has begun a relationship with a beautiful photographer (**Caroline Munro** of *THE SPY WHO LOVED ME*), yet his vile compulsions remain. These are the atrocities of a human monster. This is the story of a MANIAC.

Directed by **William Lustig** (*MANIAC COP 2*, *VIGILANTE*) and featuring landmark gore effects by **Tom Savini** (*DAWN OF THE DEAD*, *FRIDAY THE 13th*), this relentlessly shocking and disturbing film was originally censored all over the world due to its graphic violence. Now Blue Underground is thrilled to present *MANIAC* in a brand-new 4K Restoration from its recently discovered 16mm original camera negative, overflowing with hours of new and archival Extras!
