2CDs of classic Americana songs played by Bob Dylan on his Theme Time Radio Hour program.

DESCRIPTION

Following the huge success of the previous 2 compilations featuring tracks played by Bob Dylan on the first series of his Theme Time Radio Hour, we now proudly present a further 50 tracks as played by Bob across the second series of the show. The selections are just as eclectic, fascinating and enjoyable as those he played during the first series, and again each show was themed by subject matter.
