Playing with Fire (1975)

Grossly affluent banker Georges de Saxe (Philippe Noiret) keeps his daughter, Carolina (Anicée Alvina), hidden in a mysterious house of perversion after a kidnapping attempt snags a young woman who resembles her. Carolina soon finds herself trapped in a deliberately confused existence in the house of sexual exploitation and imprisonment. At the heart of it all seems to be an enigmatic man named Franz (Jean-Louis Trintignant), who will either be Carolina's killer or savior.

Alain Robbe-Grillet's surreal, absurdist sado-masochistic drama *Playing with Fire* (*Le jeu avec le feu*) was a commercial success due to the appearance of *Emmanuelle* star Sylvia Kristel – in one of her most challenging roles. Cult Epics presents *Playing with Fire* on Blu-ray & DVD in a 2K High-definition transfer with new bonus features including an audio commentary by film critic Tim Lucas and an 8-Page booklet (Blu-ray first printing only).
