

Julia (1974)

n vacation from his private boarding school, teenager Pauli (Ekkehardt Belle) discovers that his hormones aren't the only ones running rampant when he spends an adventurous retreat with his father Ralph (Jean-Claude Bouillion), his mistress Yvonne (Teri Tordai), their amorous friends, and Julia (Sylvia Kristel).

Filmed and released immediately after Sylvia Kristel became one of the world's biggest stars as Emmanuelle (1974), Sigi Rothemund's Julia is a German sex comedy drama, with Sylvia starring as a young man's first love, foreshadowing her later U.S. commercial hit Private Lessons. Cult Epics presents Julia on Blu-ray & DVD in a 2K High-definition transfer with new bonus features including an audio commentary by Jeremy Richey and a 4-page booklet (Blu-ray first printing only).

• New 2K HD Transfer (from original negative) & Restoration • Audio Commentary by Jeremy Richey (Author of Sylvia Kristel: From Emmanuelle to Chabrol) • Promotional Gallery • Trailers • Dual-layered Disc • First printing includes Booklet w/ Essay by Writer Ulrich Mannes + Reversible Sleeve with Original German Reissue Poster Art

Directed by SIGI ROTHEMUND
