“A shocker all right, a terse provocative movie...”

– *New York Daily News*

“One of the more delicious and absorbing dramas to be found on the screen. A thriller that becomes a deeply human, poignant drama.”

– *San Francisco Chronicle*

A Question of Silence

Three women, strangers with no premeditated thoughts, kill a male shopkeeper in the middle of the day. A female psychiatrist (**Cox Habbema**) is assigned to the case to find out why.

This provocative, radical, acclaimed feminist film was a hit both in Holland and abroad when it was released in theaters and is a feminist classic today, directed by **Marleen Gorris** of the Oscar-winning **Antonia's Line**.
