A superior screenplay, telling characterisation and strong ensemble acting...
 Sharp direction by noted filmmaker Marleen Gorris helps expose the brutish realities
 that lie beneath the biscuit-thin veneer of what we like to think of as civilisation."

The Last Island

Five men and two women, who survive an airplane crash, discover that they may be the only survivors of a world disaster. The question arises: whether the human race can survive, or does man kind destroy itself.

Cult Epics presents *The Last Island*, a futuristic drama featuring **Paul Freeman** (*Raiders of the Lost Ark*), **Shelagh McLeod**, **Kenneth Colley** (*The Empire Strikes Back*) and British stalwart **Patricia Hayes** (*Willow*). The third film in a trilogy by **Marleen Gorris**, produced by **Dick Maas** and **Laurens Geels** (*Amsterdamed*, *The Lift*).
