**Marleen Gorris Trilogy** (1982 / 1984 / 1990)

Cult Epics presents the **Marleen Gorris Trilogy**, three controversial and thought-provoking films, from the director of the Oscar-winning film **Antonio's Line**.

**A Question of Silence** Three women, strangers with no premeditated thoughts, kill a male shopkeeper in the middle of the day. A female psychiatrist is assigned to the case to find out why.

**Broken Mirrors** Situated in an Amsterdam brothel, two whores rebel against their lot in life. Meanwhile one of their customers, a serial killer, kidnaps a housewife.

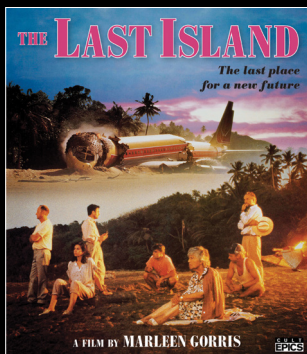

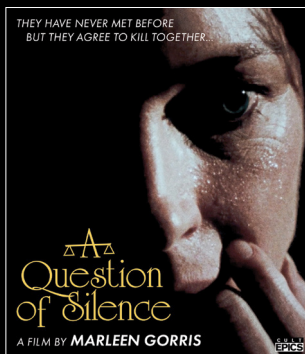

**The Last Island** Five men and two women, who survive an airplane crash, discover that they may be the only survivors of a world disaster. The question arises: whether the human race can survive, or does man kind destroy itself.
