

FROM THE DIRECTOR OF **HOUSE** (1977)

"His Motorbike, Her Island is a hidden gem of Japanese cinema, offering a unique blend of romance, drama, and fantasy. If you enjoy unusual, artistic films with a touch of magic, this one's definitely worth a watch." —*Simkl.com*

Following a painful breakup, macho biker Koh (**Riki Takeuchi**) skips town and hits the road on his beloved Kawasaki W3 650. On his countryside excursion, he encounters the free-spirited Miyo (**Kiwako Harada**, older sister of **Obayashi** favorite **Tomoyo Harada**) who quickly takes interest in both the leather-clad Koh and his motorbike. Koh and Miyo fall in love even as Miyo's prodigious biking talent and thrill-seeking tendencies heighten Koh's fear that she may push it all too far. A nostalgia-filled reminiscence, **Nobuhiko Obayashi's** monochromatic dream playfully worships the biker culture of yesteryear, delivering a sentimental and liberating take on young love.
