Released months before lead **Hiroko Yakushimaru's** breakthrough hit *Sailor Suit and Machine Gun*, **Nobuhiko Obayashi's** first groundbreaking teenage idol picture is a dazzling mix of special effects and blue-screen artifice—a stylistic flair perfected in **Obayashi's** debut *House*, now utilized for the onset of an alien invasion. Ordinary schoolgirl Yuka's (**Yakushimaru**) new term comes to an odd start when she inexplicably stops an accident by using latent psychic powers. Troubled by her newfound abilities, Yuka also senses a strange force start to take hold of the school, with students turning into mind-controlled fascists, patrolling school halls, stifling dissent and mandating the re-education of freethinkers. A psychotronic fantasy forged into a young girl's destiny to defend the planet, **SCHOOL IN THE CROSSHAIRS** is a cosmic overload of extraterrestrial tyrants, preternatural powers and **Obayashi's** uniquely adroit filmmaking abilities, underlaid with an existential cry for free will.
