

FROM THE DIRECTOR OF *EMMANUELLE* A 1980s COMING-OF-AGE CULT CLASSIC WORLD PREMIERE ON 4K UHD & 4K TRANSFER ON BLU-RAY/DVD

2-DISC SLIPCASE EDITION

GIRLS

Directed by JUST JAECKIN

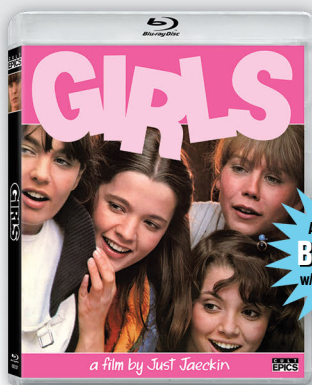

Three girls: Susanne, Annie and Catherine have just finished high school, going out every night to meet boys in discos and cinemas. Susanne's younger sister, Betty, often joins them and copies their behavior, and believes everything they say. Soon she ends up with projectionist George – although she doesn't take the pill yet.

From influential director **Just Jaeckin** (*Emmanuelle*), a coming-of-age cult classic of the 1980s featuring a young **Anne Parillaud** (Luc Besson's *Nikita*) and a soundtrack by **Eric Stewart** (10cc). **Cult Epics** presents *Girls* in a new 4K restoration.
