Morrissey has just released his first studio album in seven years, exactly twenty years after The Smiths debut. To this day he continues to sell millions of records and play to sold out crowds. This summer has seen him play and headline across the world on the festival circuit. Morrissey is arguably one of the biggest inspirations to today's alternative music scene, with the likes of Franz Ferdinand, The Libertines and Razorlight name checking and paying homage to his musical triumphs. His melancholy persona has made him a highly polarizing icon. Now 'The Jewel In The Crown' looks back on his career, and discloses the story of his life and music, and reveals what has inspired him to write some of the finest music of our time.

The Jewel In The Crown' is the complete and unauthorised story of Morrissey, an 80's phenomenon that continues to take the world by storm. This DVD is a must for any fan's collection.

- ▶ The complete and unauthorised DVD biography of Morrissey.
- ▶ Includes exclusive and previously unseen film footage and in-depth interviews with those that worked closely with Morrissey during his career, including interviews with Stephen Street, Tony Wilson, Mark Nevin, Vini Reilly, Jonny Bridgwood and ex-smith Craig Gannon, amongst others.
