**50 Cent** has been declared the hottest thing in hip-hop since **Notorious B.I.G.** It was the late **Run DMC DJ Jam Master Jay** who took 50 under his wing and taught him the trade. **50 Cent** has taken the streets by storm and has become the most sought after artist in almost a decade. Packed with interviews and rare footage, this documentary film "**50 Cent - Who Dares Wins**" now tells the complete and unauthorised story behind the grimy, streetwise and absolutely fearless 50 Cent for the first time. A must for any fan's collection.

This 'behind the scenes' DVD goes back to the infamous New York Ave in Jamaica, Queens where 50 Cent grew up and amassed a heavy reputation.

Exclusive and previously unseen film footage including in-depth interviews with hip-hop luminaries including Ed Lover, J Praize, Bang 'em Smurf, Digga and Mr Cheeks.

DVD special features include a '21 Questions' quiz and an extensive discography of 50 Cent.
