

my chemical romance

things that make you go mmmm!

an unauthorised documentary film
packed with exclusive interviews

my chemical romance

Virtually guaranteed to be 'the next big thing', My Chemical Romance has achieved an extraordinary level of domestic and international success over the past couple of years. Now on the brink of mega stardom the band are touring frenetically as well as finishing work on their new album, due to be released this summer. **This is the first My Chemical Romance stand alone DVD to be released!** It's a full documentary shot on location in New Jersey at all of the local haunts and venues where it all began. The DVD features **the band members perspectives** and a **rare, early interview never heard before**. There are also **exclusive interviews** with the head of their label, their producer, ex-members and many others. **All-in-all this DVD is a welcome document for fans of the band showing the members at work and at play and detailing the roots of the group's enormous success.**
