

AN UNAUTHORIZED BIOGRAPHY

OMARION

INVITATION ONLY

Omarion began as gang member. Realizing he needed to change his life, the teen escaped the streets to pursue a career in the music industry. His gift allowed him to become the fourth member of the group B2K. He would then go on to achieve five number #1 hit singles and collaborate with Nick Canon, P-Diddy and Fabulous. Omarion also displayed his dancing skills on the hit movie "You Got Served". It wasn't long before the group encountered management problems, causing the successful teens of B2K to split up. However, Omarion was fortunate in that he could continue his career as a solo R&B artist. **This DVD biography details the ins and outs of his extraordinary life story.**
