*This film focuses his humble beginnings, advances, and the present ... A must see presentation!*

This film focuses on hip hop sensation Bow Wow - his humble beginnings, advances, and the present - and it examines the rapper who makes the women scream and the little girls cry. His baby faced looks and braids have taken a back seat to the more mature expensive shades and Caesar hairstyle. Now, in 2008, they also call him Mr. 106 & Park. The Ohio born rapper was stripped of his innocence at a young age and allegation of certain foul play in the center of his camp became evident... Rumors, betrayal and destruction. How did Bow Wow keep his dream alive? This is a must see presentation. The rumors run rampant and the stakes are high. Bow Wow, keep the bark alive.
