

# DAMAGED GOODS

## NEW RELEASE INFORMATION

### **\*\*Cover of classic Sham 69 7"\*\*\***

We asked a few of the bands we've worked with over the years to come up with a cover version of one of their favourite 7" singles. The interesting thing is that they also had to do the original b-side as well. That made it a lot trickier and a few fell by the wayside but we've ended up with a great set of seven singles.

This single is part of the 30<sup>th</sup> Anniversary single club and will also be available separately as a standalone release.

This will be a black vinyl 7"

It's a cover of the Sham 69 classic 'If The Kids Are United' and comes backed with the original b-side 'Sunday Morning Nightmare' and a homage version of the original UK 7" sleeve along with our 'tribute' to the classic Polydor records label from the '70s.

A limited edition yellow vinyl version is available to club members. (250 copies / mail order only).
