

DJ Ferret Underground Club Mix #3

Metal/Industrial/Gothic Budget Compilation CD+DVD

Part 3 of this highly successful compilation series is finally available to general retail after being a heavily-purchased Hot Topic exclusive item. This budget-priced CD+DVD compilation features Billboard-charting metal, industrial and gothic acts like Lacuna Coil, Skinny Puppy, Information Society, In This Moment, The Cruxshadows, Type O Negative, and even the cinematic master of horror, Christopher Lee, reading Edgar Allan Poe's "The Raven." Robert Smith of The Cure kicks off the audio CD with his pal Paul Hartnoll of Orbital. Various subgenres are also well represented, with bits of medieval, J-pop, ambient, world, synthpop, and more. An essential collection of big names and names soon to be big. Limited quantities of this title are available. (DVD is NTSC, Region 0)
