In 1957 Timex sponsored a series of TV Variety Show Specials starring **Frank Sinatra** broadcast on The ABC Television Network.

This show was taped on December 10, 1959, a rare rainy day in Palm Springs, California, hence the improvised sets and the cast ribbing **Sinatra** about his grand idea of filming in "sunny" Palm Springs. At the time **Sinatra** was dating guest **Juliet Prowse**, who was starring with him in the movie "**Can Can**". The special guest star is **Ella Fitzgerald** and this program, remastered from the archive tape of the broadcast, is the original show in its entirety including the sponsors promotional segments. While the quality of reproduction may not meet modern technological standards, it is a rare record of two of the most popular performers of the Twentieth Century performing together.

**Special Guest Star- Ella Fitzgerald and Peter Lawford, Juliet Prowse, The Hi-Lo's, Hermione Gingold, Red Norvo, The Nelson Riddle Orchestra**
