In 1957 Timex sponsored a series of TV Variety Show Specials starring Frank Sinatra broadcast on The ABC Television Network. This show was taped on October 19, 1958. The special guest stars are Dean Martin and Bing Crosby and includes Dean Martin's less than subtle commercial for his Hollywood restaurant whilst performing 'Wrap Your Troubles In Dreams'. Also appearing are Mitzi Gaynor and a cameo by Jimmy Durante.

This program is remastered from the archive tape of the broadcast, and is the original broadcast including the sponsors' promotional segments. Whilst the quality of reproduction may not meet modern technological standards, it is a rare record of three of the most popular performers of the Twentieth Century performing together.
