SUMMARY

At the moment Artrosis is one of the most popular gothic rock bands in Poland. Artrosis music is a magical combination of Sisters of Mercy style, progressive rock and broadly understood metal.

Some compare Artrosis to Lacrimosa and Sisters of Mercy, but Magdalena Dobosz and Maciej Niedzielski's compositions are more varied and progressive, and Artrosis characteristic, unique style escapes easy classification. 'Live in Krakow' DVD is a must-have for every self-respecting gothic fan! It includes the live show, video clips, interviews, bootleg live tracks and plenty of extras!
