This 120 minute DVD is the first ever from Asgaard, one of the most intriguing bands in the Polish atmospheric Dark Metal scene! Recorded live in Cracow, Poland in April 2003, it contains a track list with pieces from the Asgaard trilogy: Ex Oriente Lux, Ad Sidera Ad Infinitum, and XII Voltum Lunae.

Asgaard is magnificent doom/dark metal with thrilling vocals by Przemek Olbryt (from classic, almost opera-like singing to death-metal growling). A must-have for any Asgaard fan!
