This is the first ever DVD release by one of the most promising bands on the extreme metal scene in Poland. This tremendous gig was recorded at Cracow TV Studio. The track list includes highlights of both their albums plus two covers: magnificent, instrumental version of a fragment from **"The Last of the Mohicans"** soundtrack and a very powerful performance of **Dimmu Borgir's "The Maelstorm Mephisto"!**

Bonus videoclip: ***"Perfect Form"*** (very controversial and provocative)! Also includes 6 bonus audio tracks, including previously unreleased pieces from the band's first demo and cover versions of ***Vader's "Sothis"*** and ***Madonna's "Frozen".***

Intro, Cursed, Impure Lust, Blade Intimacy, Angel Ashamed, Perfect Form, The Wish, New Slaughter, Ultimate Reign, The Last of the Mohicans, Cold, Crashing the Soul, The Maelstorm Mephisto, Nihilistic Tranquility. Bonus videoclip: Perfect Form. Bonus audio tracks: Sothis, Eternal Disease, The Earth, Frozen, Art of Decadence, War is Mine
