Notorious for their ferocious live performances spanning over two decades, the **Dwarves** have rocked and offended audiences the world over. This sinful 19-song performance DVD was filmed at the legendary Continental Club in NYC on October 18, 2004 and includes several extra music videos like "**Over You**", "**We Must Have Blood**", "**Bleed On**", "**Pimp**", and "**Way Out**" as well as alternate camera angles of the show. In this age of prepackaged punk and ready-made rebellion, the Dwarves remain fiercely independent and unrepentant to the end... *This DVD supplies all the crazy-ass bullsh!t you've come to expect from this band of degenerate f*#ks.*
