

STIFF LITTLE FINGERS

Handheld & Rigidly Digital

This 21-song set was filmed & recorded at Concorde 2 in Brighton, England on April 10th 2002. It's presented here in Digital 5.1 Surround Sound and features an exclusive interview and a comprehensive band biography. Sham 69 was the original voice of the people in the first wave of British punk. They enjoyed a long run of chart successes and were an immense influence on the street punk and Oi! movements which followed. This DVD brilliantly displays their signature straight-up punk and sing-along slogan sound.
