# BAD BRAINS

LIVE AT  
CBGB 1982

This breathtaking performance displays why Bad Brains became one of the most important bands in the history of American Hardcore.

On Christmas Eve 1982, Bad Brains began their three-day stint at a Hardcore Festival hosted by legendary CBGB. This DVD represents the very best of these shows, culled from over 4 hours of footage. Their live performances were legendary, their visual recordings were impossible to find. Now, for the first time on DVD, that powerful performance is revisited in extraordinary fashion.
