

ACID DRINKERS

THE HAND THAT ROCKS THE COFFIN

Acid Drinkers is the most accomplished and intense trash metal band in Poland having played over 500 concerts, including still well remembered gigs at Jarocin festival, Metalmania, Węgorzewo, Przystanek Woodstock or Odjazdy. They have won the Fryderyk Award (the Polish equivalent of a Grammy Award) in 1998, 2000 and 2004 for "Best Hard & Heavy Act". This DVD features an extremely energetic show recorded at Metalmania 2006. Acid Drinkers are a unique mixture of thrash/heavy metal and hard rock, all spiced with lead singer Titus' rock'n'rollish sense of humor. "The best of" set list, plus a superb version of "Ring of Fire," showcases the band's immense talent.

DVD Bonuses include "Chasing the Acids" documentary, made by Fabryczna ART group, and the "Hate Unlimited" video. The DVD is a classic collector's item with interviews, a history of the band, a discography, a photo gallery, and more!
