FINAL COUNTDOWN TOUR: LIVE IN SWEDEN 1986

To celebrate the 20th anniversary of EUROPE's "The Final Countdown" album and tour, this 13-track live concert from Solnahallen in Stockholm 1986 has been remastered in Dolby Digital and restored in widescreen format. The DVD features interviews with the band from 2006, and an extensive gallery with never-before-seen photos from "The Final Countdown" tour. It also features the only existing unreleased outtake from "The Final Countdown" recording sessions: "Where Men Won't Dare", an instrumental written by Joey Tempest and John Leven. Additional bonuses include the band revisiting the Powerplay Studios where they recorded "The Final Countdown" album, and a detailed bio.
