LIMITED EDITION

With Style Wars: Revisited

This limited edition of the classic film **Style Wars** features 30 minutes of “never-before-released” outtakes, new interviews, and “where are they now” footage. Also featured in this edition are new commentary tracks, “**Destroy All Lines**” and the **Aesop Rock** music video “**No Jumper Cables**”.

**Style Wars** is the legendary hip-hop documentary and a timeless film classic, the indispensable record of a golden age of youthful creativity and exploding hip hop subculture. Directed by Tony Silver, and produced by Tony Silver and Henry Chalfant, **Style Wars** captures the look and feel of New York’s ramshackle subway system as the graffiti writers’ public playground, battleground and spectacular artistic canvas.

The soundtrack features classics performed by **The Sugar Hill Gang**, **The Treacherous Three**, **The Fearless Four**, **Grand Master Flash** and **The Furious Five**, **Trouble Funk**, **Rammellzee/K-Rob** and **Dion**. New York’s kings of graffiti and b-boys own a special place in the hip hop pantheon. In **Style Wars** they continue to empower new generations with the original spirit of hip hop, as it reached out from underground tunnels, from uptown streets, clubs and playgrounds, to the world at large.
